Remembrance

This Sunday marks the 100th Anniversary of the end of World War One.

This week the children have been learning about the importance of remembrance and what the symbol of the poppy means today.

Poppies are sold and worn every year around the time of 11th November.

This was the day in 1918 when the First World War ended.

It was decided that people would remember on that day each year all the men and women who had died in the war so that we could live in peace in our own country.

Since then Remembrance Day has been used to remember everyone who had died in wars throughout the world.

Although 1918 is long before we were born, it is still important that we do this today as there are lots of countries in the world who do not live in times of peace.

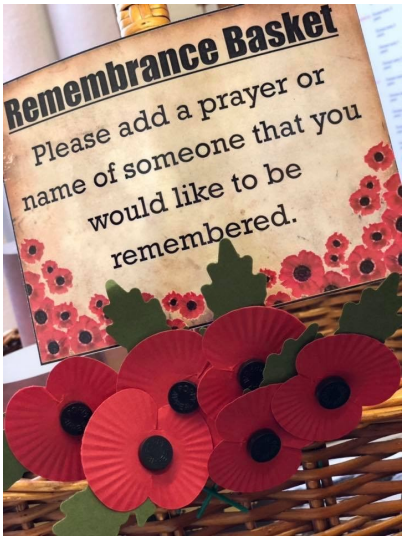
We should not take our peace for granted.

Christians believe that God wants people to live in freedom and peace and with justice.

We should be thankful for the people who have given their lives so that we are free to live ours in peace.

The children have made their own poppies which have been made into a wonderful display in the school entrance hall.

There is also a basket for any remembrance poems or names that you wish to add.



The Governors would like to thank Mrs Collier, Staff and children for the exceptional display for Remembrance Day.

A truly beautiful tribute, well done!

Netball Match Report

The CSL Netball Team played at St Mary's on Thursday, they worked really hard together as a team.

It was not our best match, final score was 8-3 to St Mary's.

We had a fantastic turnout of parents, team mates and pupils for support, which was great!

We have 2 team players that were awarded Player of the Match, as they both remembered to hold their space around the circle.

Players of the Match: Vanessa and Elicia

Well done this season girls!

Thanks to Lisa Huse for being a fantastic coach, as always.
