Empowering Minds - Nurturing Hearts - Journeying in Faith and Purpose

Thought of the Week

This week we have reflected on a pivotal moment recounted in the Bible, Moses encounters God in the form of a burning bush. This marks the beginning of an extraordinary journey as God entrusts Moses with the very difficult job of leading the Israelites out of slavery in Egypt. Initially Moses didn't think he could do the job and he tried to get out of doing it. However, God persists, assuring Moses of His unwavering presence and support. This shows us God's willingness to guide and empower us through even the most difficult challenges that appear beyond our capabilities. By placing our Trust in God and allowing His strength to work through us, we can confront adversity with resilience and determination.
