Strong in Faith - Kind in Heart - United in Success

Thought of the Week

This week we have been thinking about the importance of listening and how Christians believe that it is important to listen to God.

We reflected on the story where Jesus turned water into wine. In this story Mary put her faith in Jesus and listened to what he said. As a result, the party was saved.

Listening can be a very difficult thing to do but if we try hard and listen then amazing things can happen.
