Empowering Minds - Nurturing Hearts - Journeying in Faith and Purpose

Thought of the Week

This week in Worship we have been thinking about when Jesus met Mary Magdalene. She went to the garden where Jesus was buried, feeling really sad. But then, something incredible happened!

Mary saw someone in the garden, and she thought it was just the gardener. But when he said her name - Mary - she realised it was actually Jesus, alive again! Can you imagine how surprised and happy she must have been?

What's even more amazing is that Mary was the first person to see Jesus after he came back to life. In a world where men usually did important things, Mary - a woman - got to tell everyone that Jesus was alive! It shows us that everyone is important in God's eyes, no matter who they are.

So why do we talk about Mary meeting Jesus in the garden? Because it's a reminder that Jesus loves all of us, no matter what. Just like he knew Mary's name and made her feel special, he knows each of us and loves us too.

Let's remember Mary's wonderful moment and how she shared the good news with everyone. And let's remember that Jesus is always with us, ready to call each of our names and fill our hearts with joy.

Y3/4 Football Festival

We entered the Frays Trust tournament along with the 3 other schools competing to win a trophy. Both teams played all 3 schools and the top 2 went through to the final.

Girls: The girls have been training hard for this and it showed as they won all 3 group games and progressed to the final.

The final game ended in a draw, which went to penalties. They took us all the way to sudden death, when the other team missed. This gave Tilly a chance to win the tournament, she expertly put the goal away and the girls WON their part of the tournament. Great triumph for the girls, they done themselves and us proud.

Boys: The boys were on fire at the start, winning their first game 6-0 and the second 4-0. They came up against a strong St Matthews side who did go on to beat us 1-0 in the last group. It was then a set up for a mouth watering final between us and St Matthews.

Final: The boys played well, most of the boys were Y3 and playing a year up. It was a great watch and some great ability from both sides. St Matthews took the lead, but the boys showed great character and equalised with a goal from Jenson.

It went to a PENALTY SHOOT OUT again, unfortunately it wasn't a win for the boys. However, the boys can hold their heads up high as they played a year up and to got to the final which was a great achievement. We have no doubt they will go one better next year.

Our school was the only school to get both teams in the final, such a great achievement for both boys and girls.
