Collecting Children from School

Please can we reinforce our procedures for collecting children from school. To ensure the safety of all children, pupils of all year groups will only be released at the end of a school day to an adult. In most cases the adult collecting children from school are the parents, but if this differs, please can you ensure that the class teachers are aware of who is collecting your son or daughter from school.

If your child is in Year 5 or Year 6 and you wish your child to walk home alone, please write into the school so that we have your permission on file to do this. In this case the teachers will release these children at the end of the school day without an adult present for them. This does mean that from Monday we will not release any child at the end of the school day to a sibling unless they are of adult age.

Many thanks for your support in this as it is for the safety of all.

Ofsted Report

We are pleased that our Ofsted report has now been published on the Ofsted website and it reports that

'Cowley St Laurence continues to be a Good School'

and we are delighted with this. The inspector visited many lessons and met with pupils, staff and Governors and looked at the views of Parents from the survey to form his report. Please log on to the website and have a read.

Welfare News

*Kindly note there are cases of Head Lice in school, please ensure all children with long or shoulder length hair have it tied up.

*We are also still having cases of chicken pox reported within the School.

Lunchtime Routine

Lunch is an extremely important meal to school aged children. School lunch makes up one third to one half of a child's nutritional intake for an entire day and is essential for helping children succeed in school as well as grow and develop successfully and healthfully. From Monday there will be a slight change in routine for those pupils who have a packed lunch at lunchtime. All rubbish or uneaten food (except yoghurt pots/tubes or fruit skins/cores) will be put back in their lunch box to go home. The purpose of this is to enable parents to monitor what is being eaten at lunchtime. This monitoring is important because there have been occasions where a pupil has have been caught throwing their lunch away but tells their parents that they have eaten it all. Thank you in advance for your co-operation with this matter and for understanding about how important this change is for the welfare of our pupils.

Weekly Prayer

3rd Sunday of Lent

Jesus and the woman of Samaria John 4:5-15

Heavenly Father, teach us to see past what is different about other people and to love them for who they are. Help us to share with others and to live in peace so that all your people can live free from poverty, hunger and fear. We pray in Jesus' name.

Amen

Guest Clergy:

Praising Good Behaviour

Each week, we would like to share a positive experience related to pupil behaviour with you. This week, we would like to mention the children in Year 6, who demonstrated positive attitudes on a trip to John Locke on Wednesday. Keep up the good work!

WELL DONE!

Can You Help?

Do you have any girls' tights, socks or plimsolls that you can let us have? Mrs Sibley has run out of these items in her spare clothing collection and would be grateful of any donations. Also, can anyone who has borrowed any items of clothing or footwear please return them.

Thank you.
