Strong in Faith - Kind in Heart - United in Success

Thought of the Week

This week we have been thinking about 'trust' which is one of our school values. We learnt about one of God's special messengers called Isaiah. Isaiah had a vision where he heard God calling him to be a prophet - God messenger's - and even though he didn't think he was good enough, he said 'yes' to God. For many years, Isaiah went on telling people how God wanted them to live and warning them what would happen if they didn't change their wrong behaviour. We learnt many things from the story Isaiah but two important things we learnt were:

1. Christians believe that God can use all sorts of people to do his work, even people who don't think they are good enough. Isaiah didn't think he was good enough, but nearly 3,000 years later, people are still reading what Isaiah said about God.

2. When we are asked to do something hard, like Isaiah was, if we say 'yes' and really do our best we can often do much more than we thought we could.
