Rooted in Faith - Learning with Love - Creating a Bright Future

Thought of the Week

Thought
of the
Week...

This week in Worship, we have been thinking about Welcome and the story of the Prophet Jeremiah.

Jeremiah shared God's message with His people during a difficult and uncertain time. He reminded them that, even when life feels challenging, God has a plan and a hopeful future for each of us.

As we begin a new school year, this is an important message for us too. We may feel excited, nervous, or unsure about what the year will bring, but we can trust that God is with us and has a purpose for each of our lives.

*This links directly to our school vision from **Jeremiah 29:11**, where God promises, "**For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."***

*Through our strapline, **Rooted in Faith, Learning with Love, Creating a Bright Future** we are reminded that we are starting this new year together, ready to learn, grow and support one another.*

BIG QUESTION: How can we begin this new school year with Hope and Trust in God's plan for us?

WORKSHOPS / TRIPS

As we begin planning for a new academic year, we are pleased to let you know that information regarding curriculum workshops and school trips will be shared much earlier than in previous years.

To help families plan ahead, all available information for each term will be sent out at the start of that term wherever possible. This will give parents and carers more notice of upcoming events, longer payment periods, and greater opportunity to budget and make arrangements in advance.

We hope that providing information earlier will help avoid last-minute issues and ensure that all children have the opportunity to take part in the enriching experiences we offer throughout the year.

KS1 @ 2.40pm / KS2 @ 10.15am

PARENTS WELCOME

These special moments give children an opportunity to share their learning, creativity and reflections with you.

Your presence makes these occasions even more meaningful, and we look forward to celebrating together as a school community.
