

Thought of the Week

Thought
of the
Week...

Reflection on the Lord's Prayer - This week in Worship, we have been thinking about The Lord's Prayer, particularly the words, **"Thy Kingdom come, thy will be done, on Earth as it is in Heaven."** We explored what these words mean and how they remind us to listen to God and seek His guidance.

When we pray for God's will to be done, we are trusting that **God's plans are good**. We may not always know what the future will bring, but we can have faith that God is with us and wants us to make choices that bring love, kindness and hope to our lives and community.

This links closely to our school vision comes from **Jeremiah 29:11**, **"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."** Just as we pray for God's will to be done, we can trust Him to guide us towards a hopeful future.

Through our strapline: **Rooted in Faith, Learning with Love, Creating a Bright Future** we are reminded that our Faith should guide the way we live, learn and care for others.

BIG QUESTION: How can we show that we trust God's plans for us?
