

Thought of the Week

This week in Worship, we have been thinking about **Abraham** and how he trusted God's promises, God asked Abraham to leave his home and travel to a new land, promising that He would bless him and his family. Abraham did not know exactly where his journey would lead, but he chose to trust God and follow His guidance.

Abraham's story reminds us that **we do not always need to know what will happen next to have Faith**. Sometimes, we may feel nervous about trying something new or uncertain about the future, Like Abraham, we can learn to Trust that God is with us, guiding us along the way.

This links closely to our school vision from Jeremiah 29:11. "***For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."*** Just as Abraham trusted God's promises, we can have hope and confidence as we discover what the future holds.

Through our strapline, ***Rooted in Faith*** – ***Learning with Love*** – ***Creating a Bright Future***, we are reminded that Faith can help is to be brave, embrace new opportunities and support one another on our journeys.

BIG QUESTION: *How can we show Trust in God when we do not know what the future holds?*
